

Titus & DJ's Menomonee River Charity Trail Run

"15 Miles for Milwaukee Jobs & Jesus"

SATURDAY, MAY 22, 2010 – 7:00 a.m.

Menomonee Falls to Milwaukee

Proceeds to The Milwaukee Outreach Center, Inc.

a 501(c)(3) Non-Profit, Christian Organization.

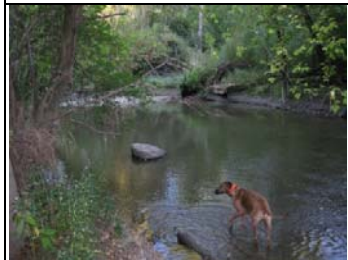

Local Milwaukee Man & Dog Will Run 15+ Miles for Charity

"Why are my dog and I heading out on this solo adventure down a river?"

Because we want to raise awareness, volunteers, and donations for a great organization called The Milwaukee Outreach Center. This local, non-profit charity helps the unemployed change their lives in the name of Jesus.

Titus – A 7 year old Rhodesian Ridgeback who has been exploring river trails his entire life. This athletic breed of dog was born to run! He has graciously volunteered his skills to the cause of joblessness in Milwaukee.

Menomonee River – This natural treasure runs from Menomonee Falls to Lake Michigan. DJ & Titus will follow the river closely through residential, industrial, and natural areas for over 15 miles.

Jobs – The Milwaukee Outreach Center has been serving the underskilled and unemployed of Milwaukee for decades. They offer life skills, adult literacy, and job readiness training – positive changes in the name of Jesus!

Jesus – My savior who died for me. "If anyone is in Christ, he is a new creation; the old has gone, the new has come!"
- 2 Corinthians 5:17

Approximate 15-mile route down the Menomonee River. Seeking up to 10 special donors who raise \$500+ and then join DJ & Titus for rugged exploration!

“Why I Love The Milwaukee Outreach Center”

Karl Wright
Phoenix Life Skills
Graduate

Karl Wright found out about The Milwaukee Outreach through our “Home for Thanksgiving” outreach this past year. When his sister Christy saw our Phoenix brochure, she said: “This is how God is going to restore my brother.”

Karl’s recent past was filled with “a lot of negative talk, no love of God, no encouragement, no vision or know-how to get a job or to get to college.” In 2003 Karl was diagnosed with a bipolar condition, did time in prison and today receives Social Security Insurance (SSI). On December 18, 2009 Karl graduated from our Phoenix Life Skills class. Today he is hopeful. “I can see myself being somewhere – doing positive things, helping others, and learning.” His mission in life is to “awaken, inspire and encourage worth for my family and others who are in need.” His faith and love is contagious. He said, “Jesus loves me more that I can describe – more than human love.”

Susan Hendrix
Phoenix Life Skills Intern

Susan Hendrix first came to The Milwaukee Outreach Center (TMOC) on September 6, 2006 to apply for our Phoenix Life Skills Training program. Today she is a senior at Upper Iowa University and is completing her internship with us in social work. She works with all new students coming into the Phoenix program.

Reflecting on her journey, Susan said: “At the time when God led me to the Outreach Center I had just given my life to Him, but I had no clear direction. I knew that I wanted and needed Him but, I did not know how to get to where I needed to be. Spending those five days of my life in the Phoenix Life Skills class gave me hope and direction. That one week experience changed my life forever! I encourage all who may have lost hope that no matter what it looks like, do not give up! God is faithful!”
